Frequently Asked Questions

Can I download the application from the app store?
The mobile website is not available at the app store for this version. It is important to note that this is not an app, but a website.

How do I save the application as an icon on my device?
On your device, visit the website you would like to add.
- Tap the action button (box with a curved arrow on it), next to the web address.
- Tap the ‘Add to Home Screen’

How do I go back to the previous screen?
By clicking the back arrow on the web browser.

How do I get to a different page?
By clicking on the badge or selecting the item from the menu list.

Can I take quizzes and tests from mobile device?
At this time students can not take quizzes or tests from the Mobile website.

Can I attach Drop Box items?
Drop box functionality is not included in the phase.

How is grade to date on ‘My Grades’ calculated?
This is based on all the graded assignments in the course.

How much time do I have when I am typing in my response before it times out?
The mobile site will time out after 2 hours.

What do the different icons mean on the assignments page?

- Number of responses for the item
- expand and clasp
- Drop box item
- response is from a professor

What devices and browsers are supported and versions?
The latest versions of iOS and Android including the built in browsers for both OS. Safari for the iPhone and the android browser. Blackberry and Windows devices are not supported with this launch.
How far back to completed courses go?
Completed courses shows the history of the student.
